## Set A5 $\star$ Independent Worksheet 6

## INDEPENDENT WORKSHEET

## Multiplying Multiples of 10 \& More

1 Write the answers.

| 30 |
| ---: |
| 20 |
| $\times \quad 20$ |
| $\times \quad 30$ |

2 Multiply each number in the top row by the number at the left. The first one is done for you as an example.

| $\times$ | 2 | 4 | 8 | 3 | 6 | 12 | 5 | 10 | 7 | 9 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| 20 | 40 |  |  |  |  |  |  |  |  |  |
| $\times$ | 2 | 4 | 8 | 3 | 6 | 12 | 5 | 10 | 7 | 9 |
| 4 |  |  |  |  |  |  |  |  |  |  |

| $\times$ | 2 | 4 | 8 | 3 | 6 | 12 | 5 | 10 | 7 | 9 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| 24 |  |  |  |  |  |  |  |  |  |  |

3 Katy says you can use the answers in the first 2 rows of Problem 2 to help figure out the answers in the third row. Do you agree with her? Why or why not?
