

Yearbook Cover Contest

Entries Due April 7, 2017

Every year at FGCS, our yearbook features a cover designed by a student. This year I would love to have your art on the cover. The winner will be juried by staff and students. Some of the covers submissions will be featured inside the yearbook.

How to Submit Entries:

- Paper entries: On 8.5 x 11 sheet of white paper (computer paper is acceptable, cardstock is preferred) or
- Digital entries: You may submit entries digitally if you are using photography or Photoshop. Please submit them in an 8.5 x 11 format, highest resolution to s.woods@fgcschool.org
- Designs must have a vertical (up and down) orientation

Entries must include:

- Our full school name, Forest Grove Community School. This may be scanned in and added digitally.
- The year 2016-2017
- A positive, acceptable theme (talk to Stephanie with any questions about this).
- Your first and last names and your teacher's name on the back.

Tips for making a winning entry:

- Not a lot of white, empty space.
- Mix up your media - play with one or more of the following: colored pencils, oil pastel, marker, watercolor, photography, etc.
- Use up the whole sheet - the bigger your design, the better.
- Use high craftsmanship. No scribble scrabble!
